

# Music Therapy New Zealand Conference 2026

## Sponsorship Packages

Music Therapy New Zealand | Te Rōpū Puoro Whakaora O Aotearoa (MThNZ) is a membership organisation that advocates for the provision of music therapy to all who will benefit from these services, and governs the ethical and professional standards of practice of NZ Registered Music Therapists (NZ RMTh) in working to enhance Hauora and Waiora of the people of Aotearoa New Zealand

Our 2026 Conference theme, **Te Poutama Hononga: Weaving Connections**, celebrates the art of weaving together people, stories, and music, creating patterns of understanding, and community. The te reo name, gifted by Matua Sonny Niha (University of Auckland Centre for Brain Research) means “the connected journey of achievement and progress”. Each thread represents a unique experience or voice, and through the process of weaving diverse strands, new relationships and meanings emerge.

We warmly invite you to weave connections with us, and support our Conference 2026.

This will give you the opportunity to:

- Directly reach the music therapy community in Aotearoa New Zealand
- Showcase your initiatives or products
- Support MThNZ in its efforts to promote music therapy in Aotearoa New Zealand
- Link to our Brand association with creativity, music, hauora and waiora.

Our sponsorship packages are overleaf, or get in touch to discuss a tailored option.
